**Local Seniors Invited to Participate as Part of a Nationwide Discussion on Health Care**

**West Palm Beach, FL --** The Area Agency on Aging Palm Beach/Treasure Coast, Inc. and the Palm Beach County Division of Senior Services invite you to become part of an historic discussion taking place right now across America. Citizens are invited to tell policy-makers what they like, and don't like, about the nation's health care system. Congress and the President created the Citizens' Health Care Working Group to hear your answers to some vital questions about health care and use your input to recommend how to make health care work for all Americans. You can have an inside track to influence the deliberations of Congress and the President. Here is your opportunity to do something about Health Care. Let your voice be heard.

**When: Wednesday, May 10, 2006. From 2:00 to 5:00 p.m.**

**Where: North County Senior Center, 5217 Northlake Blvd., Palm Beach Gardens, Florida**
